

2019 Healthcare⁺ EXPO · TAIWAN 2019.12.05-12.08

Taipei Nangang Exhibition Center ,Hall 2
<https://expo.taiwan-healthcare.org>

Where Tech Meets Medicine

Meet the booming healthcare market demand in Asia's best healthcare expo !

Organizers

Research Center for Biotechnology & Medicine Policy

Ministry of Health and Welfare

Taipei City Government

Ministry of Science and Technology

Ministry of Economic Affairs, R.O.C.

Council of Agriculture

Taking “**Medicine X Technology**” as the key driver, Healthcare+

Expo Taiwan is the key Asia Pacific forum for interdisciplinary collaboration between the medical, health, IT/electronics, and bio-pharmaceutical sectors, providing a stage for the development of medical technology innovations and new ventures.

International Recommendation

The chairman of the World Medical Association (WMA), Leonid Eidelman

“Taiwan for the last 20 years had great progress in this field (Health Service).”

The CEO and President of Israel Advanced Technology Industries (IATI), Karin Mayer Rubinstein

“I can bring to the table to Israel more collaboration and nourish the collaboration between Taiwan and Israel industries.”

Head of pharma Search & Evaluation, Global BD&L, Novartis, Markus Kalousek

“Taiwan Expo find the approach to facilitate IT, device and pharma industries together to treat the patients in better way.”

GM of Industry & Distribution Business Unit, Hitachi, Murakami Sei

“Japan and Taiwan and all the Asia countries can collaborate to each other to unitize each country and region strength.”

GM of Greater China and Vietnam, Teva, Larry Merisalde

“I think Taiwan is ready to take an advantage of new age of Healthcare Treatment.”

The President of Medical Software Industry Association of Australia (MSIA), Emma Hossack

“Lots of digital technology I've seen today are working really closely with the Hardware you been doing for a long time.”

Show Profile

Positioning	Where Tech Meets Medicine Global stage for cross-industry collaborations between medicine, ICT and biotech
Date	2019.12.05-12.08
Venue	Taipei Nangang Exhibition Center, Hall 2
Organizers	<ul style="list-style-type: none"> • Taiwan Healthcare+ Alliance • Research Center for Biotechnology and Medicine Policy • Ministry of Health and Welfare • Taipei City Government • Ministry of Economic Affairs • Ministry of Science and Technology • Council of Agriculture
Expo Highlights	<ul style="list-style-type: none"> • World-class medical institutes and advanced medical technologies • Leading IT, ICT, electronics and tech giants & comprehensive Health IT industry supply chain • Innovative medical AI, cloud computing, IoT and robotic technologies • High-quality bio-pharmaceutical R&D, CDMO and CMO companies • Efficient genetic testing, lab services and solutions • Total solutions for health management
Exhibit Area	<ul style="list-style-type: none"> • Hospitals / Medical Institutes • Smart Healthcare / Hospital Equipment • Biotech / Pharmaceuticals • Preventive Medicine / Health Management • Genetic Medicine / Cell Therapy • Bio-Innovation • Bio-Agricultural
Expo Events	<ul style="list-style-type: none"> • MEDTEX Summit Asia • 10+ Annual Medical Conference • International Inno- Zone & Roadshow • Taiwan Healthcare + Alliance B2B Partnering • Partner Forums and New Product Launch Conference • National Innovation Award Ceremony • Certification Ceremony of Symbol of National Quality
Global Partners	<ul style="list-style-type: none"> • Israel Advanced Technology Industries (IATI) • Medical Software Industry Association of Australia (MSIA) • The Federation of Thai Industries (F.T.I.) • The Private Hospital Association Thailand (TPHA) • Thai Medical Informatics Association (TMI) • Malaysia Association for Cell Therapy (MACT)
Expo Scale (2018)	410 exhibitors with 1,358 booths
Key Exhibitors (2018)	<ul style="list-style-type: none"> • 60+medical centers and hospitals • IT/ICT companies: Asus, Advantech, BenQ, Chunghwa Telecom, Coretronic, Foxconn, HIWIN, HTC, Inventec, iEi, Wistron • Bio-Pharmaceutical Companies: Bora, Biotoools, Diamond Biofund, GGA ,Maywufa, Orient Pharma, TTY, Yourgene, Sinphar, Sofiva, Pharmaessentia • Preventive Medicine: UNI-PRESIDENT, Formosa Plastic Group, CPC • MNC Companies: HITACHI, Microsoft, IBM, Panasonic, Thermo Fisher
Visitor Count (2018)	71,898 visitors from 43 countries
Top International Visitors (2018)	Hospital decision makers, buyers, distributors, VC, company executives from China, USA, Thailand, Korea, Japan, Malaysia, Singapore, Vietnam, Australia, Israel
Plenary Keynote (2018)	Google, Hitachi, IBM, J&J, Medtronic, Merck, Microsoft, Novartis, Nvidia, Teva, Qisda
